12: Noon                   **ANNUAL GENERAL MEETING**  
See attached notice and Agenda

12.30                       **80 Years of Trees - Past and Present**  
Jon Stokes - Tree Council

The Tree Council is 40 years old this year and was set up following Dutch Elm Disease, to help restore the effects of that disease. Now in our 40th Year we are facing the potential ravages of Ash Dieback. In this talk Jon will discuss the issues for trees over the last 40 years, and the next 40.

13:00                       **Lunch and Raffle**

14:00                       **Outdoor Workshops:**

***Everything a Tree Warden can do on the spot***

In this workshop we will look at the work of the Lingfield Tree Wardens and see the wide range of activities that a Tree Warden can undertake.

16:00                       **Tea and Closing Remarks**

Tea, coffee and biscuits will be provided. Please bring your own lunch. There is a local store and Co-op in the near vicinity of the village hall where light snacks and drinks can be bought. Parking is rather limited at the centre, however one can park in the near vicinity.
